

Jubilee Dance Company

2020/2021 School Year

Jubilee

Jubilee means: *"A joyful time; a time or season of celebration!"* Jubilee Dance Company is an extension program of Dancing For Joy. It is time to dance for joy and to celebrate who we were created to be as we move together to worship our Maker.

Our Mission Statement

The mission of **Dancing for Joy** is to provide quality dance instruction for every student while encouraging movements and motivations that glorify our Maker. Our goal is to create a positive learning environment for students of all ages and both genders, to develop a deeper appreciation for the performing arts, and to "praise His name with dancing..." Psalms 149:3

The **Jubilee Dance Company** is made up of 5 groups of 5 to 10 dancers each; the Junior group, Intermediate group, Senior group, and Advanced (NEW NAME, current 2019/2020 Principal team) & Principal (NEW GROUP). Each group participates in increased training in technique, performance, choreography, and professionalism in order to dance for others in the broader community. Together we reclaim and encourage dance as a venue for enriching our lives, blessing others, and praising God.

Achieving That Mission

- We are non-competitive yet professional.
- Our focus is to reclaim the art of dance in the Pacific Northwest, WA, Whatcom county, and Bellingham for the glory of God.
- We provide a healthy and safe outlet for young dancers to expand strengths, work on weaknesses, and build confidence in a loving and encouraging environment.
- We encourage opportunities for technical excellence and personal growth that take us outside the studio walls and into the world we live in.
- We maintain a high standard of commitment to rehearsal and technique classes.
- We have team building times, devotions, and prayer times.
- We use choreography, music, and costumes that are appropriate.
- We place an emphasis on using dance as a way to serve God and others.
- We will divide company members up by age, style, ability levels, years in the company, and availability to foster growth through different dance experiences. Some members may be asked to participate with multiple groups throughout a school year or specific dances. We will also have understudies for different dance works. There will be at least one all company dance.
- Veteran company members have increased opportunity to choreograph, perform, be team leaders, judicators, camp counselors, and have solos etc...

DFJ reserves the right to add members, or switch dancers to other company groups at any time and for any reason. DFJ Directors reserve the right to reconsider a dancer's eligibility for Jubilee Dance Company at any time, but especially for the following reasons:

- **If they do not attend the DFJ Company Retreat at the beginning of the season.**
- **A dancer's attitude does not reflect respect towards others, or has a spirit of apathy.**
- **A dancer has multiple unexcused absences or their account is 90+ days past due.**
- **A dancer violates the required 'code of conduct' form in which they have signed.**

Audition Day

1. Must be 12 years old as of Sept. 1 of the audition year..
Proper Audition Attire: Ladies - Pink tights, Black Leo, Ballet shoes, & Hair in a bun
Men - Black tights, black tank, ballet shoes
2. **Auditions will be in Studio 4, but accessed from behind the building only.** Check in with an instructor and receive an audition number. **Please wear a mask upon arrival and during the check in procedures.** (we recommend arriving 15-25 minutes early to warm up in an open studio).
3. Students must **complete audition forms PRIOR to audition.** Hand in forms at check-in.
4. Teachers will teach audition groups several combinations, ranging in style, and then dancers will perform in small groups of varying sizes. In accordance with state mandates, students are not required to wear a mask during the audition as long as acceptable distances are maintained.
5. There will be a panel of judges. Judges critique stage presence, technique, teachability, focus, effort, attitude, willingness, and memorization of steps.
6. Dancers will be brought back for individual or group interviews after the dance portion of the audition.
7. Results will be posted by audition number on our website by 3pm Sunday August 16th. Invitations to join a specific company group will be sent out via email. Please respond within 48 hours if you will be accepting the invitation. For those who do not make the company we will send out an email of what the dancer needs to work on for the following year in order to be considered in the future.

*There are many variables that go into dancer placement ie. age, number of dancers that try-out, past trainability, attitude, technique, emotional capacity, confidence, fluidity, group cohesiveness, group dynamics, group size, strength, work ethic, leadership, dedication, experience, class levels they are currently in, past attendance and participation. Also, similarly to our class program, dancers may enter a group or class at the bottom of a group or level ability wise, and then the following year be one of the top dancers in that same group or class; both are essential for training and building confidence. We ask that you please respect our placement decisions for your dancer's development in the upcoming school year. We strive to push every dancer to be the best dancer and person that they can be. Please do not come into the audition expecting placement on a specific group, or with specific people.

Jubilee members are asked during all community performances to not wear glasses, please work with your optometrist, to get contacts. Thank you.

Jubilee Girls are asked to wear FAKE eyelashes at MBT performances.

Piercings - Nose ring studs are fine, as well as studs for cartilage piercings. All other piercings need to come out for performances.

COVID -

DFJ is committed to adhering to all policies and requirements to keep our dancers healthy and safe. We will be coming out with new protocols for the school year soon. We have also added a 5th team in order to keep teams small.
